FREE TRAINING!

At COMMUNITY SYSTEMS ...

You will work towards achieving nationally recognised qualifications in ESOL or Functional Skills

We will also help you with:

- ◆ Careers Advice & Guidance
- ◆ Find a Job & supported Job Search
- ◆ Creating and updating CVs
- ◆ Writing cover letters to potential employers
- ◆ Free use of phones, internet and email for job applications
- ◆ Confidence Building
- ◆ Vocational Training

Community Systems works closely with local Jobcentres to offer training courses to help the unemployed back into sustained work at no cost to the individuals. However, participants are required to commit to 6 - 12 weeks training in order to successfully acquire key employability skills and access opportunities to look for employment
